

Ovarian Awareness

of Kentucky

March 2010

Dear Community Supporter:

A few weeks ago we sent you a flier about the Ovarian Awareness of Kentucky's first "Riding Over Ovarian Cancer! Motorcycle Poker Run". Since then we have made some great improvements as well as lowered the entry fee. Please post the enclosed "revised" flier and encourage participation for this great ride! Below you will find a review of the event, how to become a sponsor and how your support will help save lives.

On Saturday, *May 8, 2010* O.A.K. will be holding their first "Riding Over Ovarian Cancer! Motorcycle Poker Run". This ride is not only hosted by O.A.K. but also the Bibee family; who came to O.A.K. through their own personal connection with ovarian cancer. This special day will celebrate the strength of our survivors and remember our fallen ovarian cancer survivors.

Ovarian Cancer is the deadliest of all female cancers and there is **NO TEST!** For this reason funding education initiatives in our community is vital. For every woman that is diagnosed in early stage 1 or 2, they have a 90% chance to survive. Unfortunately most of our survivors are diagnosed late stage 3 or 4 which makes survival a very tough fight for them. Based on the 2009 American Cancer Society statistics Kentucky will have **431** NEW women diagnosed and **292** will die each year.

Yes, education does save lives, so please support our "Riding Over Ovarian Cancer! Motorcycle Poker Run" by participating, making a financial donation, and/or donating an item. Attached you will find a donation and a registration form, please join us on May 8th or support our cause through a donation. *Every woman in your life deserves to know about this deadly disease whether they are 18 or 60+ years old...ovarian cancer does not discriminate.*

Make a difference in the lives of our community; please consider becoming a sponsor of this event. Sponsors will receive recognition at the event and on the OAK website.

If you have any questions, you may call the OAK office at 502-708-1625 or Michelle Bibee at 551-0700

Sincerely,
Suzanne Caraway
Caregiver
O.A.K. President

Michelle Bibee
Daughter of fallen ovarian cancer survivor
O.A.K. Advisory Board Member
